Pwyso—pa un fydd y trymaf?

Casglwch ifer o bethau o gwmpas y tŷ neu'r ardd.

Dewisiwch 2 beth a dyfalu pa un fydd y trymaf. Os mae hyn yn rhy hawdd, dewisiwch 3 peth a dyfalu trefn trymaf / ysgafnanf

Cael hyd i 2 beth sydd debyg o ran pwysau

Weighing—which will be the heaviest?

Collect items from around the house / garden.

Choose 2 and guess which one will be the heaviest. If this is too easy, choose 3 things and guess the order of weight from heaviest to lightest.

Find 2 things that are close in weight.

Peidiwch â gwneud môr a mynydd o ddarllen y glorian —os mae eich plentyn yn barod i ddeall , gorau oll. Os nad yw'n barod—helpwch! . Medrwch dynnu sylw at y rhifau ar ee y botel siampŵ os hoffech. hefyd, gadewch iddo / i arbrofi a chwarae ar ben ei hun.

Don't make a big thing about reading the scales—if your child is ready to do so , great. if not—help them. you could point out the numbers on the shampoo bottle for example. Also let them play and experiment on their own.— this is how they learn!
