Rabbits

Hungry Bunny

You did it!

Can you help the bunny find the carrots?

Start Here!

Rabbits belong to the same family as the hare.

Do you know what a hare is?

The rabbit is a small mammal

Rabbits have babies every month.
This means that they can multiply very quickly.

Rabbits live all over the world.
They live in holes underground.
Lots of people have them as pets.

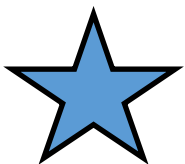

Rabbits

Rabbits only eat plants; mainly grass. Pet rabbits eat carrots.

Rabbits have long ears and soft fur.

They have sharp claws—can you guess why?

They also have a little tail which is called a “scut”.

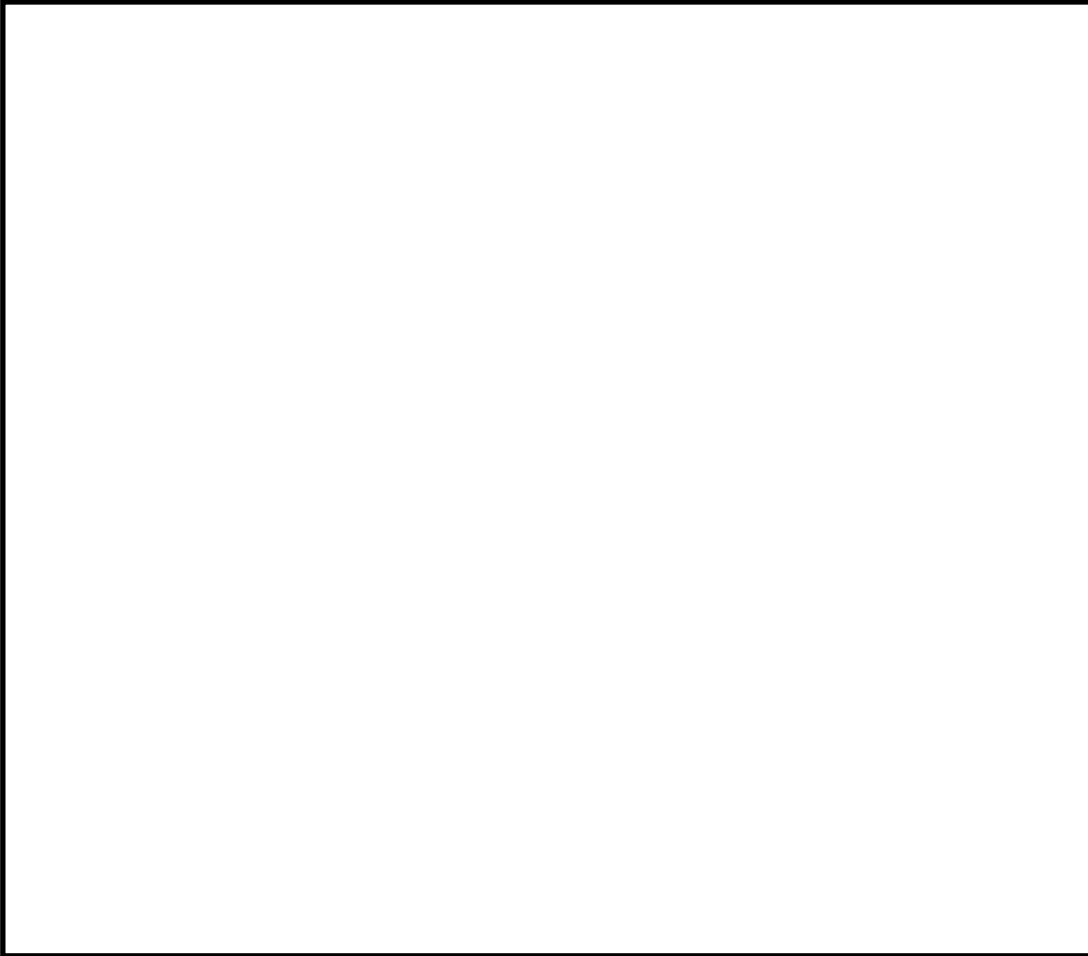

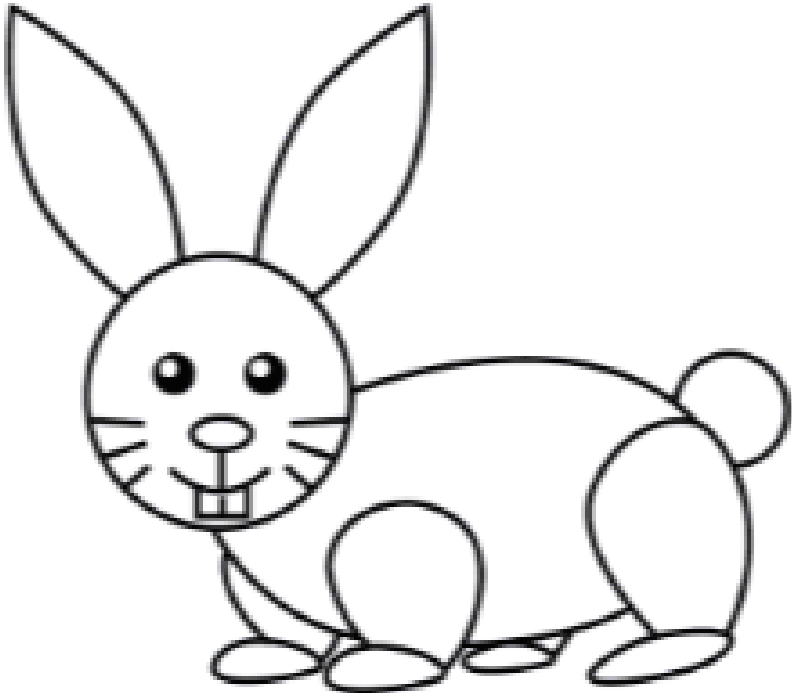

Did you know....?

A rabbit can jump as high as 1 metre!
