

Some ideas for learning about Springtime

Signs of Spring

Go for a walk and collect some buds, flowers, frogspawn etc.

Spring collage and drawing

Use paint, paper and bits of material to make Spring pictures

Spring words

Make a word mat with drawings and words that will help your child make a memory folder about Spring

Signs of Spring

Look for lambs, birds nesting, tadpoles etc. Make a list of what you see and take photos

Spring pictures

Make a Pic Collage on an i pad about Springtime

The very hungry caterpillar

Lots of ideas for art and crafts on Pinterest to go with this story and the story is on YouTube

Life cycles

Lovely worksheets on Google about frog and butterfly lifecycles

Bird nest cakes

Instead of Rice Crispies use Shredded Wheat to make chocolate cakes and decorate with mini eggs

Paint a butterfly

Paint half the butterfly then fold the paper to see the symmetry

Spring makes

A lamb from card and cotton wool

A bird or frog from shapes

A rabbit mask from a paper plate
