

Sut i ddangos dwylo caredig

nai gofio

Pan dwi'n flin

i dangos dwylo caredig

nai stopio

cymryd amser i dawelu

dod yn ôl pan dwi'n well

a bod yn ffrind da

rwan dwi'n hapus

How to show kind hands

I will remember

When I'm mad

I will stop

to show kind hands

take time to calm down

come back when I feel better

and be a good friend

now I am happy
