

Early intervention tailored to individual needs

Supporting transition to secondary school

Provision that creates hope and aspiration by helping to reduce/remove barriers faced by individuals

Behavioural support

Emotional and social anxiety support

Social Difficulties support

Skilled team dedicated to supporting vulnerable learners

As part of the TRAC project, a dedicated team directly engages with pupils identified as needing support in Year 6 as they transition to secondary school. The TRAC team as a whole comprises a range of skilled and experienced individuals who are passionate about supporting young people to achieve their potential, by delivering a range of interventions that will complement but not duplicate mainstream services.

Support Package

Allocation of a key worker who will tailor a bespoke programme of intervention, which will include:

- One-to-one Support
- Group Work
- Therapeutic support
- Resilience Building
- Alternative Curriculum
- Team Building activities
- Self-esteem confidence support
- Transition support programme
- Support over the summer holidays
- Support within the first two terms of Secondary and identifying whether further support is required.
